# Project Management

Get in-depth training in project planning, execution, and control, integrating project components such as schedule, cost, quality, risk, and leadership in compliance with Project Management Institute (PMI®) standards.

**Total Units:** 24

The Project Management program consists of five required courses and one elective course. It is recommended that students take the Capstone course last, in order to apply all learned concepts into a final project.

Additionally, students can take the optional 4-day exam prep course to prepare for the Project Management Professional (PMP)® Exam.

**Completion time:** 2 quarters (full-time) / 1 year to 1.5 years (part-time)

**Eligible and approved for:**

International Students,  
WIOA & VA Benefits

**Offered 100% online  
or in-classroom** (Westwood  
& Downtown LA)
