Your Social Security number is required by federal law to enable filing of information returns to the Internal Revenue Service (IRS). If you do not choose to provide us with your Social Security number, you will be permitted to enroll; however, UCLA Extension will not be able to provide the IRS with evidence of fee payment that might entitle you to tax credits available under the Taxpayer Relief Act of 1997. UCLA Extension also routinely reports its student census to the National Student Clearinghouse. Those seeking deferments for repayment of student loans may wish to provide their Social Security number to expedite the deferment process. Date of birth and gender are also voluntary.

Discount Code (if applicable):

Eligibility for discounts will be determined based on the postmark date on the envelope. If payment is due, please include a check or money order payable to: *The Regents of UC.*

NOTE: There is a \$30 charge for returned checks. A \$30 administrative fee is withheld from each course for which you request a refund unless the course is canceled, discontinued, rescheduled, or has a special refund policy.

** Parking permits are not mandatory. For single-entry parking options and parking permit details, click [here](#). Include parking permit fee in enrollment check or money order. Allow 15 working days for permits requested by mail. A map with parking instructions is sent with permit.

In order to provide you with a continually improving selection of courses, we ask for the following voluntary information. Data collected is known only to our staff in a summary statistical form.
