

Personal Financial Planning Certificate: Accelerated Online Program

February-September 2021 Program Cycle

This rigorous online certificate program is designed for financial professionals with relevant work experience and credentials who are preparing for the CFP® Certification Examination. The 7-course curriculum is comprised of five core courses covering the major disciplines of financial planning, and the required Financial Plan Development Capstone and Ethics courses. This is a cohort based program and enrollment is limited to those who have successfully completed their previous courses. The instructor-led online courses blend live, web-based sessions with online discussion boards, assignments, and testing. Students complete the curriculum within 9 months.

PROGRAM SCHEDULE

Each course is scheduled over a 4-week period and includes two 3-hour live sessions each week. The weekly live sessions are scheduled on Tuesdays and Thursdays from 3-6pm PST and are also recorded for later viewing. Students are provided a two week window between courses to pre-study materials for the next course.
